

JUBITONE

A music project created by pianist, composer, arranger and producer Hans Fuecker
Lisbon, Portugal

PROJECT STORY

Jubitone was founded in 2017 by pianist, composer, arranger and producer Hans Fuecker as a project for writing, producing and releasing his own music. It began with the Jubitone Trio and its early recordings. Since 2020, Fuecker has released his own compositions and productions under the Jubitone name. Based in Lisbon, he studied classical piano in Maastricht and later composition and jazz trombone in Cologne. His current solo work includes the *Naive Improvisations* series.

ABOUT JUBITONE

Music created by Hans Fuecker

Jubitone was founded in 2017 by Hans Fuecker to provide a name under which to write, produce and release his own music. The project began with the Jubitone Trio and its early recordings. Since 2020, Fuecker has released his own compositions and productions under the Jubitone name. The trio continues as a separate ensemble project.

Fuecker is a pianist, composer, arranger and producer based in Lisbon, Portugal. He studied classical piano in Maastricht and later composition and jazz trombone in Cologne. His work has included concert performances, jazz ensembles, radio orchestras, television productions and recording studios, across jazz, Latin, pop and orchestral music.

Jubitone's solo work includes composed piano pieces, spontaneous improvisation and electronic productions. *Naive Improvisations* is a series of spontaneously created solo piano recordings. The latest release, *Naive Improvisations III*, was released on 15 September 2026.
